

White Three-Blade Ceiling Fan with Gold Accents

This electrical ceiling fan features three blades and a white finish with gold accents. It is designed for indoor use, providing air circulation and ventilation.

Product Overview

Modern Air Circulation Solution

This three-blade ceiling fan combines functional air circulation with a sophisticated aesthetic, featuring a clean white finish complemented by elegant gold accents. Designed specifically for indoor environments, the unit includes a decorative central motor housing and a sturdy downrod for reliable ceiling mounting. It is an ideal choice for spaces requiring efficient ventilation paired with a modern, high-end interior design touch.
