

Whitewall Tire with Silver Rim

This whitewall tire is mounted on a silver-colored rim, perfect for classic car enthusiasts. It combines a black tread pattern with a wide white sidewall to provide a vintage aesthetic.

Product Overview

Vintage Aesthetic Whitewall Tire

This premium whitewall tire is engineered with a distinctive wide white sidewall and a classic black tread pattern. Designed for vehicles requiring a retro aesthetic, it provides an authentic look for restoration projects and custom builds. The unit comes pre-mounted on a durable silver-colored rim, ensuring a streamlined installation process.
