

Wine Gift Set with Accessories in Wooden Box

Elegant wine gift set includes two wine bottles nestled in a wooden box with red satin lining. It contains wine accessories such as a corkscrew, bottle stopper, wine thermometer, foil cutter, and drip ring, neatly arranged in a fitted compartment.

Product Overview

Premium Wine Presentation Set

This elegant wine gift set is designed for professional gifting and upscale retail presentation. Housed in a polished wooden box with a refined satin-lined interior, the set secures two wine bottles alongside a complete toolkit for wine service. It is an ideal solution for corporate gifts or specialized gift boutiques looking for high-quality, ready-to-present wine accessories.
