

Wing Corkscrew with Chrome Finish

This is a wing corkscrew, also known as a butterfly or lever corkscrew. It features a chrome finish and black handles.

Product Overview

Professional Wing Corkscrew

This wing corkscrew, also known as a butterfly or lever corkscrew, is an essential tool for efficient wine service. Featuring a high-quality chrome finish and ergonomic black handles, this device utilizes a dual-wing lever system to extract corks with minimal effort. It is a reliable solution for professional settings, combining durability with a classic, functional design.
