

Wire Stripping and Cutting Tool Set

This versatile set is designed for electrical and electronic applications. It includes multiple tools with various stripping gauges and cutting capabilities, ensuring compatibility with a wide range of wire sizes.

Product Overview

Professional Grade Wire Preparation

This versatile set of wire stripping and cutting tools is expertly designed for electrical and electronic applications. Featuring precision-machined stripping holes and durable cutting edges, it ensures clean and efficient wire preparation across various gauges. The ergonomic design focuses on comfort and reducing hand fatigue, making it an essential kit for professional electricians and technicians.

Key Features

Key Benefits

- Precision-machined stripping holes for accurate gauge sizing
- Durable cutting edges for clean wire preparation
- Ergonomic handle design for prolonged use comfort
- Versatile set for various electrical and electronic tasks

Tools Included

Wire Stripper, Wire Cutter

Usage

Target Applications

- Electrical installations
- Electronic repairs
- Professional maintenance
- General wiring tasks
