

Wood Chisel Set with High-Carbon Steel Blades

This wood chisel set includes 1-inch, 3/4-inch, and 1/2-inch sizes. The chisels are designed for woodworking projects requiring precision cutting and shaping.

Product Overview

Professional Wood Chisel Set

This three-piece wood chisel set is engineered for high-performance woodworking applications. Featuring blades crafted from 60CRV high-carbon steel, these tools provide superior edge retention and long-lasting durability. The ergonomic dual-material handles ensure user comfort and maximum control, making them an essential addition for precision cutting and shaping tasks.
