

Wooden Blade Ceiling Fan with Light

This ceiling fan provides air circulation for indoor spaces. It features five wooden blades and includes a central light fixture.

Product Overview

Elegant Wooden Blade Ceiling Fan

This classic ceiling fan combines a warm, reddish-brown wooden blade finish with a sturdy dark brown motor housing, making it a perfect addition to traditional or rustic interior spaces. Featuring five aerodynamically designed blades, it ensures efficient air circulation while providing soft illumination through its integrated light fixture. The unit is controlled via traditional pull chains, offering reliable and straightforward operation for various environments such as dining areas or living rooms.
