

# Wooden Blade Ceiling Fan with Light

This ceiling fan features five wooden blades and an ornate light fixture. It is designed to provide both style and functionality to any room.

## Product Overview

### Energy-Efficient Climate Control

This Wooden Blade Ceiling Fan with Light combines classic aesthetics with modern energy efficiency. By creating a wind chill effect, it allows you to raise your air conditioner's temperature setting, significantly reducing energy consumption by up to 40% or more. It features a stylish design with five wooden blades and an integrated light fixture, making it a functional addition to any room.

## Energy Efficiency

### Air Conditioner Energy Savings Comparison

| AC Type | Rated Power (W) | Daily Savings (USD) |
|---------|-----------------|---------------------|
| 1P      | 1200            | 2.622               |
| 2P      | 2200            | 5.182               |
| 3P      | 3100            | 7.486               |

Fan Electricity Charge      0.45 USD/day
