

Wooden Display Case for Perfume Bottles

Elegant wooden display cases are designed to showcase crystal perfume bottles. The cases feature a hinged lid, mirrored interior, and a tiered base.

Product Overview

Elegant Presentation for Perfume Collections

These wooden display cases are expertly designed to showcase crystal perfume bottles with sophistication. Featuring a hinged lid, mirrored interior, and a tiered base, the case provides an optimal viewing experience for valuable collections. Transparent panels ensure your products are highlighted beautifully, while the rich wood finish and intricate detailing add a touch of luxury to any retail or personal setting.
