

# Wooden Photo Frame with Leaf Inlay

This decorative wooden photo frame is designed to hold a 4x6 inch photograph. The frame features a rich brown finish and an inlaid leaf pattern along the top and bottom edges.

## Product Overview

### Elegant Wooden Display

This sophisticated wooden photo frame features a rich brown finish, providing a classic and timeless aesthetic for any professional or personal setting. The frame is distinguished by an intricate inlaid leaf pattern along the top and bottom edges, adding a touch of artisanal detail. Designed for durability and style, it boasts a smooth, polished surface with slightly rounded edges, making it an ideal choice for showcasing cherished memories.
